**About Spanish Harlem Orchestra**

Spanish Harlem Orchestra, the two-time Grammy winning Salsa and Latin Jazz band, sets the standard for excellence for authentic, New York style, hard core salsa. Live or recorded, it doesn't get any better.

Whether a concert hall or an outdoor jazz festival, there is no easing you in, they are coming at

you full force from start to finish. Their energy on stage, rich sound and musical precision leave audiences mesmerized until the last note is played. With an unwavering respect for the music's rich history, thirteen world-class musicians and vocalists come together to create an unparalleled musical experience.

Now in its fifteenth year, SHO, as they are known to fans, is dedicated to the sounds of the barrio. Their music is characterized by the raw, organic and vintage sound defined by the genre. They are on a mission to keep the musical legacy of salsa dura "hard salsa" alive and expand its audience to those who love great music, not just Latin music. Grounded in the past, while focused on the future, they strive to keep the music relevant, while creating a unique and fresh approach.

With four albums, and as many Grammy nominations, this Latin Jazz powerhouse knows it is crucial to continually push themselves and raise the bar. They recently released their fifth album, featuring two of America's great jazz icons, Chick Corea & saxophonist Joe Lovano. Oscar Hernandez and Spanish Harlem Orchestra continue to raise the bar of excellence in their music.
